

## Pergo Vinyl Clean

### VINYL PLANKS & TILES

Pergo Vinyl floors and skirting boards are very easy to clean thanks to their sealed, hygienic surface layer.

They are completely waterproof so you can clean them with a wet cloth.

Pergo Vinyl Clean for Pergo is specifically developed for Pergo floors. **One single cleaning product takes care of the daily maintenance of your vinyl floor.** It protects the Pergo scratch resistant coating and helps to preserve the original matt look of your floor.

Order code: PGVCLEANING1000

#### Product description

Pergo Vinyl Clean enables to hygienically maintain your Pergo floor effortlessly. Ideal for daily maintenance of your floor.

#### Packaging

Packed in a bottle of 1000ml.

#### Product properties

- Fresh and pleasant odor
- No buildup of layers. Existing layers are dissolved by the product, in doing so there is no dirt or debris left.
- Emphasizes the characteristics and features of your floor.

#### Area of application

For daily maintenance and cleaning of Pergo.

#### Instructions:

1. Clean the floor on a regular basis with cleaner diluted in water. Measurement: 2 capfuls of cleaner (use the cap of the bottle) of cleaning product in a bucketful of water. Wipe the floor with a slightly damp, non-fluffy cloth or mop which has been dipped in the cleaning product.
2. ALWAYS wipe off with a dry cloth until no moisture is visible on the floor.
3. TIP: regularly rinse and wring out.
